Class Descriptions

Water Exercise (WE) - This non-impact exercise class for adults (18+) includes strength training and stretching to enhance physical fitness, maintain and improve muscle tone and flexibility.

Tiny Tots 1 (TT1) - *Ages 3-5.* This class introduces and familiarizes children to the aquatic environment and helps them acquire basic aquatic skills that lay the foundation for developing water competency and the future skill development of swimming strokes. In addition, it helps participants begin to develop positive attitudes and safe practices in and around the water.

Tiny Tots 2 (TT2) - *Ages 3-5.* This class continues laying the foundation for developing water competency and further skill development and it marks the beginning of independent aquatic locomotion skills. Children continue to explore using simultaneous and alternating arm and leg actions on the front and back to gain greater proficiency in preparation for performing strokes

Tiny Tots 3 (TT3) - *Ages 3-5.* This class increases proficiency and builds on the basic aquatic skills they have learned.

Level 1 (L1) - *Ages 6-12.* Introduction to Water Skills, the child is intro-duced to basic skills as the foundation for future skills and the development of water competency (the basic minimum skills needed for water safety).

Level 2 (L2) - *Ages 6-12.* Fundamental Aquatic Skills builds on skills learned in Level 1. Participants begin to perform skills at a slightly more advanced level and it marks the beginning of independent aquatic locomotion skills

Level 3 (L3) - *Ages 6-12.* In Learn-to-Swim, participants build on previously learned skills and learn to swim freestyle and elementary backstroke at rudimentary levels.

PARTNERSHIP SWIM LESSONS

Greensboro Swim Association
Over the course of the lessons children will learn pool safety, basic strokes and breathing, and above all they will develop confidence in and around the water. The ratio of swim lessons is no more than 4:1, children to instructors. Lessons will run Monday through Thursday mornings in half hour increments beginning June 3rd at Lindley Park Pool. Ages 2 & Up.
The full lesson schedule will be updated on GSA's website, **www.gsaswim.org**.
Registration is handled through GSA and not Parks & Recreation.

Swim Fanatics Swim Club
Swim Fanatics Swim Club will offer swim lessons for youth at Lindley Pool this summer. The program offers low student to teacher ratios so that each of our swimmers within the group receives proper attention to bond and develop trust early on with their instructor. Classes are offered on weekday afternoons and on Saturdays.
The full lesson schedule will be updated on Swim Fanatics' website, **www.swimfanatics.com**.
Registration is handled through Swim Fanatics and not through Parks & Recreation.
