**Trail Rules**

- **Be courteous and respectful of other trail users,** including hikers, bikers, and runners.
- **Follow the speed limit for your mode of transportation,** including bikes and horses.
- **Use only designated trails,** staying clear of private property and closed areas.
- **Keep right; pass on left,** following the flow of traffic.
- **Stay on trails,** minimizing impact on the environment.
- **Be aware of traffic,** yielding to faster, oncoming traffic, and stopping if necessary.
- **Carry your trash,** leaving no trace of your presence.
- **Wear a helmet,** especially when biking, to ensure safety.
- **Respect wildlife,** giving animals space and not disturbing their habitats.

**Hiking Only Trails**

- **Crockett Trail, 1.4 Miles**
  - Previously known as the Peninsula Trail, this path stretches from N. Church St. at the Laurel Trailhead and follows a winding peninsula along the backwaters of Lake Townsend. Visit www.greenboro.org for more details.

- **Osprey Trail, 2.7 Miles**
  - The Osprey Trail, beginning from Church St., follows the south shore of Lake Townsend. There are many signs of bird life along the trail, including the trail's namesake, the Osprey, a large bird of prey known to nest and make its home here. Visit www.greenboro.org for more information.

- **Blue Ridge Trail, 3.9 Miles**
  - This trail runs parallel to the Nat Greene Trailhead on Old Battleground Rd., this trail travels by blackberries, strawberries, wildflowers, and fall foliage. The Primitive Trail ends at South Shore Rd. Shared parking is just north across the street in the soccer fields parking area. Restrooms are available in that parking area (weather permitting).

- **Bill Craft Trail, 3.6 Miles**
  - Starting on the east side of Church St., across the street and just north of the southern end of the Crockett Trail, this trail runs through wooded areas of Country Park with its berms and gullies that keep the mountain biking locals coming back for more. Trailhead parking can be accessed at the Lewis Rec Center parking lot. Visit www.greenboro.org for more information.

- **Copperhead Trail, 5 Miles**
  - This trail runs parallel to the Nat Greene Trailhead on Old Battleground Rd., this trail travels by blackberries, strawberries, wildflowers, and fall foliage. The Primitive Trail ends at South Shore Rd. Shared parking is just north across the street in the soccer fields parking area. Restrooms are available in that parking area (weather permitting).

**Mountain Biking + Hiking Trails**

- **Clingman’s Dome Trail, 4.6 Miles**
