<u>Federal Program</u>	<u>City Program</u>	<u>Amount</u>	<u>Process to Determine Use of Funds</u>	<u>Next Steps</u>	<u>Notes</u>
HOME Investment Partnership Program HOME provides formula grants to States and localities that communities use, often in partnership with local nonprofit groups, to fund a wide range of activities that build, buy, and rehabilitate affordable housing for rent. This grant is restricted by the ARRA of 2009 to providing an additional amount for capital investments in low-income housing tax credit projects.	Multi-Family Rehabilitation	\$600,000		Funding has been distributed to the N.C. Housing Finance Agency per formula based on percentage of HOME funds apportioned to the state. NCHFA will then distribute its allocation competitively to project owners per a qualified allocation plan to owners who receive low income tax credits. In the past, local governments themselves have not been typical applicants for this funding. City will support application of private developers around these projects.	
	Bessemer Center (Phillip Ave) Redevelopment	\$1,200,000			
	Alliance Property - property purchase for redevelopment	\$2,000,000			
	Total	\$3,800,000			
Broadband Technology Opportunities Program: The Technology Opportunities Program (TOP) promotes the widespread availability and use of digital network technologies in the public and non-profit sectors through grants for model projects demonstrating innovative uses of network technologies. Grants were last funded in 2004, and were awarded to state, local and tribal governments, health care providers, schools, libraries, police departments, and community-based nonprofit organizations.	Cymphonix Bandwidth Shaping tool—Hardware/Software 3yr contract	\$6,700		Awaiting Application details to be announced by the National Telecommunications and Information Administration.	Broadband expansion for local libraries
	Time Warner Telecom Bandwidth Expansion to 20Mbps—3yr contract, \$1,504/mo	\$54,144			Broadband expansion for local libraries
	Install (20) additional training lab computers at 5 underserved library branches throughout Greensboro.	\$18,000			Broadband expansion for local libraries
	Provide enhanced public Wi-Fi service at all library branches. This includes 7 wireless access points with centralized controller software.	\$24,500			Broadband expansion for local libraries
	City-wide time keeping system	\$450,000			
	Total	\$553,344			
Fire Fighter Assistance Grants ("Fire Grants") The primary goal of the Assistance to Firefighters Grants (AFG) is to meet the firefighting and emergency response needs of fire departments and nonaffiliated emergency medical services organizations. Since 2001, AFG has helped firefighters and other first responders to obtain critically needed equipment, protective gear, emergency vehicles, training, and other resources needed to protect the public and emergency personnel from fire and related hazards.	New Fire Station -- Elm/Eugene Street	\$3,500,000		Funds will be distributed at the discretion of the Secretary of Homeland Security. As of Apr 28: Will issue grant guidance June/July. Receipt and review of grant applications July/August. Grants will be awarded Sept/Dec 2009	
	New Fire Station -- Randleman Road	\$3,500,000			
	Total	\$7,000,000

<u>Federal Program</u>	<u>City Program</u>	<u>Amount</u>	<u>Process to Determine Use of Funds</u>	<u>Next Steps</u>	<u>Notes</u>
Emergency Food and Shelter Grant: Supplements the work of local social service organizations within the United States, both private and governmental, to help people in need of emergency assistance. (Private-Nonprofit community and government organizations)	Emergency Food Program	unknown	State or County distribute funds.	Funds will be distributed at the discretion of the Secretary of Homeland Security. Awaiting information regarding the application process	Funding would assist local non-profits serving the homeless and poor populations
	Total				
Weatherization Assistance Grants: Provides funding towards low-income weatherization programs. Under the existing DOE weatherization program, weatherization services are cost-effective energy efficiency measures for existing residential and multi-family housing with low-income residents. The program includes a wide variety of energy efficiency measures that encompass the building envelope, its heating and cooling systems, its electrical system, and electricity consuming appliances.	Weatherization Program	Unknown		HCD will coordinate this application on behalf of the City. Non-profits can apply for weatherization funding on behalf of North Carolina low income residents through the Office of Economic Opportunity. In the past, local governments themselves have not been typical applicants for this funding. State legislature held hearings in recent weeks. Add'l guidance expected soon.	The City and a number of local non-profit agencies have a strong interest in participating in the weatherization program.
	Total				
State Energy Programs: The State Energy Program funding will be available for rebates to consumers for home energy audits or other energy saving improvements; development of renewable energy projects for clean electricity generation and alternative fuels; promotion of Energy Star products; efficiency upgrades for state and local government buildings; and other innovative state efforts to help save families money on their energy bills.	150 KW Photovoltaic Array	\$1,500,000			This equipment is to be installed on the J Edward Kitchen Center roof for generating solar electricity that will reduce expenses for this facility occupied by Fire, Water Resources and Police.
	Total	\$1,500,000			
Drinking Water Revolving Funds (DWSRF): The DWSRF provides low-interest loans (half market rate) to assist public water systems in achieving or maintaining compliance with the federal Safe Drinking Water Act (SDWA), including all environmental reviews and applicable permits. Projects must be from a public water system, must comply with the SDWA, and must be on the state program's project priority list, or Intended Use Plan.	Randleman Feeder Main - addition to bring in new water supply	\$20,000,000		Awaiting application guidelines. DENR currently accepting public comments on projects.	
	Water / Sewer Replacement - replace deteriorating system (multiple locations)	\$20,000,000			
	Storm Water - replace culverts (multiple locations)	\$5,000,000			
	Total	\$45,000,000

Leaking Underground Storage Tank Trust Fund	Underground storage tank -- used in conjunction with EPA Revolving Loan Fund grant program.	unknown			
	Total				
Brownfields: Funding is for competitive grants for brownfield sites. Funds from the federal Act will likely be used to fund ongoing grants through the U.S. Environmental Protection Agency's Brownfields Assessment, Revolving Loan Fund, and Cleanup Grants programs.	Brownfield -- used in conjunction with EPA Revolving Loan Fund grant program	unknown		Competitive grants will likely go through the EPA's Brownfields Assessment, Revolving Loan Fund, and Cleanup Grants programs. EPA will add this stimulus funding to its FY08 fund and look to previous applicants (including the November 2008 applicant pool) for funding. EPA plans an April announcement of grant awards. Awaiting application guidelines.	EPA announced recently that it will allocate 2009 Stimulus funding as a funding supplement to their annual brownfield grants program and will make funding awards to projects that have applied through their annual NOFA. We anticipate that those awards will be announced in mid-May. Greensboro are among the candidates - In late 2008, Greensboro applied to the EPA Brownfield Program NOFA for a \$400,000 Community-Wide Assessment Grant. If awarded, this funding would allow the City to provide assessment grants to owners of contaminated properties.
	Total				
Watershed Rehabilitation Program	Lakes Jetty and Bulkhead Repairs	\$392,200		USDA Rural Development district office for assistance in applying for this funding.	
	Total	\$392,200			
Violence Against Women: Grants; Formula grants awarded to states and territories to develop and strengthen the criminal justice system's response to violence against women and to support and enhance services for victims. Each state and territory must allocate 25 percent of the grant funds for law enforcement, 25 percent for prosecution, 5 percent for courts, and 30 percent for victim services.	Domestic Abuse Squad	\$210,840		Awaiting application guidelines.	
	Total	\$210,840
