

**City of Greensboro Planning Department
Zoning Staff Report
November 13, 2006 Public Hearing**

The information provided in this staff report has been included for the purpose of reviewing proposed zoning changes. Since the zoning process does not require a site plan, there may be additional requirements placed on the property through the Technical Review Committee process to address subdivision and development regulations.

CONNECTIONS 2025 COMPREHENSIVE PLAN POLICIES

Connections 2025 Written Policies:

Reinvestment/Infill Goal: Promote sound investment in Greensboro's urban areas, including Center City, commercial and industrial areas, and neighborhoods.

POLICY 4C: Promote new patterns and intensities of use to increase economic competitiveness and enhance quality of life in urban areas.

Housing and Neighborhoods Goal: Meet the needs of present and future Greensboro citizens for a choice of decent, affordable housing in stable, livable neighborhoods that offer security, quality of life, and the necessary array of services and facilities.

POLICY 6A.2: Promote mixed-income neighborhoods.

POLICY 6C: Promote the diversification of new housing stock to meet the needs of all citizens for suitable, affordable housing.

Connections 2025 Map Policies:

The area requested for rezoning lies within the following map classifications:

Institutional: This designation applies to university and college campuses, major medical/health care concentrations, and similar large-scale institutional activity centers.

CONFORMITY WITH OTHER PLANS

The following aspects of relevant plans may be applicable in this case:

City Plans: N/A

Other Plans: In 2002, this property was listed by NC A&T State University as a Priority Two land acquisition parcel in their master plan for the campus.

STAFF COMMENTS

Planning: These properties are within the perimeter of North Carolina A & T State University's campus and have been purchased in furtherance of implementing the university's master plan. Public and Institutional is the necessary and appropriate zoning classification for university use.

This request is consistent with the Institutional land use classification on the Generalized Future Land Use Map of Connections 2025 which is described above.

GDOT: No additional comments.

Water Resources: No additional comments.

Housing and Community Development:
