DESCRIPTION: Why not make your child’s next birthday party a “wild” one? The Frank Sharpe Jr. Wildlife Education Center offers educational (and fun!) wildlife-themed parties that can be tailored to fit your needs and the child’s favorite outdoor activity or nature-related topic. Popular themes include a wildlife center tour, guided nature hike, fishing, or a themed topic about your child’s favorite animal.

The Basic Party is \$60, which includes a 1½ hour nature-themed topic of your choice, and ½ hour left over for cake, presents and socializing. The Deluxe Party package is \$110, which includes all of the amenities of the Basic Party with a lot of added perks. Bur-Mil provides the cake (but, you still get to pick out the style and flavor!), drinks, utensils, decorations, and even invitations that you can pick up at the park to send to all your guests. All you and your child have to do is show up. With either package, your child and party guests will have a great time learning about the world around them!

For reservations, please contact Bur-Mil Park at **(336) 373-3819**.
