NAME OF PROGRAM: **Barber Park Construction Update**

LOCATION: Barber Park

ADDRESS: 1500 Dan's Rd., Greensboro, NC

DESCRIPTION: Barber Park facility improvements are expected to be underway within the next few weeks. Improvement plans include new picnic shelters, restrooms/concession stand, increased parking and the addition of a sprayground. The construction contract for the project has been awarded to Bar Construction Company and representatives have indicated that equipment and supplies needed to begin work will arrive within the next two weeks. Construction should take six to nine months, depending on weather delays.

The Barber Park staff is excited that construction will soon begin. In the meantime, citizens are invited to come out and enjoy other sections of the park that are open to the public. The Simkins Indoor Sports Pavilion is open daily, offering tennis, basketball and volleyball opportunities as well as community room rentals. The baseball season will begin this spring at the Penn-Wright Baseball Stadium. The disc golf course is also open daily for play along with the walking paths.

For more information, contact Eddie Pugh, Barber Park Manager, at **(336) 373-5892**.
