## Long Range Transportation Plan

**Greensboro  
Guilford County  
Oak Ridge  
Pleasant Garden  
Sedalia  
Stokesdale  
Summerfield**

## Acknowledgments

Developing this transportation plan involved cooperation from local government, volunteers, the public, and technical staff. In addition, the Greensboro Urban Area MPO's Technical Coordinating Committee provided technical support and feedback throughout the planning process. Likewise, the policy board of the MPO, the Transportation Advisory Committee, played a crucial role in guiding and ultimately approving the final plan. We express sincere thanks and gratitude to those who have assisted with the plan's development and ultimate adoption:

***MPO Staff responsible for the development of the 2035 LRTP:***
