Saturday, January 12, 8 am -1 pm

Beginning Fly Tying

Sixth Grade & older, \$55

Introductory class that covers the five basic flies and how to tie them, including wet flies, nymphs, streamers, and dry flies. Great for beginners and those who want to get back into fly tying, or overcome basic fly tying problems.

Tuesday, January 15, 6:30-9:30 pm

Tying Fly Fishing Knots

Sixth Grade & Up, \$25

This class covers tying the Nail Knot, Loops, Barrel Knot, Uni-Knot, making and installing your own braided loops and more. A great way to brush up on skills and avoid pitfalls of all fishing, which is losing fish to bad knots.

Wednesday, January 16, 6-7:30 pm

Animals

All ages, \$2

Learn about different types of animals found in North Carolina. Find out where animals make their homes and how they behave. You will be able to take part in hands-on activities with snakes, mammals, insects, and more!

Friday, January 25, 6-7:30 pm

Nature Crafts for Children

All ages, \$5

Discover fun and easy ways to bring the natural world into your home with useful and beautiful crafts. These nature crafts are easy enough and appropriate for all ages, so bring the whole family out and show us your creative side!
