DESCRIPTION: This summer, Mad Science of the Piedmont will host 3 one-week camps at Bur-Mil Park's Frank A. Sharpe Wildlife Education Center. Camp dates: June 27th – July 1st, July 18th – 22nd & August 1st – 5th, 9:30 a.m. – 4:30 p.m. daily with half day or full day sessions available. Half day sessions are held from 9:30 a.m. – 12:30 p.m., or from 1:30 p.m. – 4:30 p.m.

The mission of the Astronaut Boot Camp is to boldly go where no one has gone before ...*Space, the final frontier*. Campers blast off into outer space with our NASA-style camp. The week of June 27th – July 1st, Astronaut Boot Camp will be held all day. It will also be held during the morning session on July 18th – 22nd, and during the afternoon session August 1st – 5th. Do you think you have what it takes to discover "who done it?" If so, Spy Camp is for you! From secret communications, to being the detective at crime scene, campers sleuth out the answers and see if they have what it takes. Spy Camp will be held in the afternoons on July 18th – 22nd. The Science Madness camp allows future scientists to explore bubbling potions, space, laser light, heat, acids, bases, magnetic magic and more! Science Madness Camp will be held in the mornings on August 1st – 5th.
