

Plot Registration Form for Keeley Community Garden

We are currently taking registrations for plots (30' x 4') in a temporary community Garden at Keeley Park, 4138 Keely Rd., McLeansville, NC 27301. This is the former site of Keeley Nursery, the city owned nursery for over 40 years that was closed in 2000. This 135 acre site will eventually be home to a permanent Community Garden Node (hopefully by winter of 2009) that will include raised beds, a greenhouse, a reference library, restrooms, tool sheds, etc. We are excited about your involvement and welcome you to join us on this new adventure!
