**LOCATION:** Bur-Mil Park, Wildlife Education Center, 5834 Bur-Mil Club Road

**DESCRIPTION:**

**Wednesday, August 22<sup>nd</sup>**  
***Snakes***  
6:00 pm – 7:30 pm  
\$2.00 (1<sup>st</sup> grade & older)  
This class is ideal for hikers, campers, and anyone, who spends time outdoors. Learn to identify some of the forty snake species found in North Carolina and distinguish venomous from non-venomous snakes. Staff will have live snakes available for viewing with optional handling.

**Friday, August 24<sup>th</sup>**  
***Creatures of the Night***  
7:30 pm – 9:30 pm  
\$2.00 (7 years & older – ages 12 & under, must be accompanied by an adult)  
Attention Night Owls! Join us for a class on wildlife that is most active after we are asleep. The first part of the class provides bat-watching with questions answered by an expert. Then, students take a twilight nature walk to spot “eye shine” from several nocturnal species in the park. The final part of class allows students to get up close and personal with creepy-crawly friends, the insects. Bring a small flashlight. The maximum number of students is 30, so be sure to register early!

**Monday, August 27<sup>th</sup>**  
***The Wild World of Animals***  
10:00 am – 11:00 am  
*Free of charge!* (5 years & older)  
North Carolina is a unique resource in terms of the variety and quality of wildlife-viewing opportunities. Class kicks off the new *Living, the Wild Life* series and covers a diversity of wildlife, behaviors, habitats, and methods for viewing unique animals.

**Thursday, August 30<sup>th</sup>**  
***Raised Bed Gardening***  
6:30 pm – 7:30 pm  
*Free of charge!* (teens & adults)  
Learn the in's and out's of gardening in raised beds and how they prevent different sources of plant destruction. Add color and height to large or small gardens, and discover how rewarding floating containers can be. To register, please call **(336) 375-5876**.
