<p>Neighborhood Stabilization Program Created with the Housing and Economic Recovery Act of 2008, the Neighborhood Stabilization Program provides emergency assistance to state and local governments to acquire and redevelop foreclosed properties that might otherwise become sources of abandonment and blight within their communities. The (NSP) provides grants to purchase foreclosed or abandoned homes and to rehabilitate, resell, or redevelop these homes in order to stabilize neighborhoods and stem the decline of house values of neighboring homes.</p>	Neighborhood Stabilization Program	\$2,625,000	Public Rev/CRB Recommendation/ Council Approval	Council approval needed; expected on Council agenda June 2	FYI – this funding is not part of the 2009 Stimulus funding but rather funding extended when the Federal Government put in place its first stimulus package in September 2008. Council approved HCD’s application to the North Carolina Division of Community Assistance for a \$5.25 million dollar Neighborhood Sustainability Program (NSP) grant to fund a four point strategy to purchase foreclosed and abandoned homes and properties in priority areas. The City of High Point, Greensboro Housing Authority and Habitat for Humanity received approximately \$1 million each. An additional \$125,000 will be available for program administration expenses. We are working with statewide NSP grantees including North Carolina Housing Finance Agency and Self-Help Credit Union to create complementary programs for homebuyer assistance and acquisition/rehabilitation. We will have one year from June 1 to obligate all funds.

<p>Homelessness Prevention and Rapid Re-Housing Grant Fund For homelessness prevention and rapid re-housing activities. Specifically, the funds can be used for short-term or medium-term rental assistance, housing relocations, and stabilization services (including housing search, mediation, outreach to property owners, credit repair, security or utility deposits, utility payments, rental assistance for a final month at location, moving cost assistance, and case management) for homelessness prevention or re-housing to recently homeless.</p>	Homelessness Prevention Program This funding will be used for financial assistance and services to prevent individuals and families from becoming homeless and to help those who are experiencing homelessness to be quickly re-housed and stabilized. The funds will provide for a variety of assistance, including short-term or medium-term rental assistance and housing relocation and stabilization services. Funds may be used for mediation, credit counseling, security or utility deposits, utility payments, moving cost assistance, and case management. Family Service of the Piedmont and Greensboro Housing Coalition will carry out the services for the first year.	\$781,141	Public Rev/CRB Recommendation/ Council Approval	City Council meeting May 5; Application due to HUD May 18; We expect to receive approval of our application in mid-June to early July.	September 30 is the deadline to have funds encumbered. Phase II competitive funds are expected to become available for application July 6, with awards being made Sept. 1. Awards are expected to range from \$300k - \$1m. The state received \$22 million to distribute (\$18 m of which will be for competitive awards).
