

Racial Trouble Warrant Issued

HENDERSON, March 3—A second warrant resulting from racial disturbances in the past several days has been issued, Sheriff E. A. Cottrell reported today.

Robert Roberson brought charges against Eddie Thompson Jr., alleging that Thompson kicked him. Deputy Sheriff L. B. Falkner said the alleged incident occurred in connection with efforts of Negro students of Kittrell college to obtain service at the lunch counter in a local variety store last Friday.

A warrant had previously been sworn against Roberson, charging assault on Thompson when the latter delivered a grocery order at Kittrell College last Monday.

Both cases are set for hearing in Recorder's Court next Friday, and each defendant is under \$300 bond pending trial.
