

Holy Trinity Committee

Editor of the Daily News:

The Christian way is the only way to settle the sit-down protest. God is the source of all goodness; and since this is true, anything we ever hope to accomplish that will amount to any good must have Christ as the ultimate foundation.

There is only one way to do anything as it should be done, and that way is the way Christ would have us do. Love our neighbor as ourselves, and trust him accordingly. "It is better to obey God than men."

It is right to serve all customers alike. It is not right to accept one customer's money from one counter and reject it at another, especially when he is of good behavior.

I firmly believe that the Negro hates no man because of his nationality. He is the greatest friend the white man has on earth. So when we write to the Mayor's Advisory Committee, let us also write a letter in prayer to the Committee of the Holy Trinity in heaven.
