

Welcome To The Greensboro Public Library

Agreement for Acceptable Computer Use

All customers of the Greensboro Public Library wishing to use a computer at any GPL location must agree to the following acceptable use policy. Failure to comply with this agreement may result in revocation of computer use privileges.

1. I will not attempt to modify or gain access to files, passwords or data belonging to others.
2. I will not seek unauthorized access to any other computer system, or damage or alter software components of any network or database.
3. I will observe the copyright law for print and electronic materials.
4. I will not make any changes to the setup or configuration of the software or hardware.
5. I will not bring in any application software to use on the library's computer.
6. I will purchase a vendacard for all printing needs; staff will not bypass vendacard procedures.
7. I will take responsibility for requesting assistance before printing or saving information to a disk; staff will assist to the best of their ability.

Internet Policy

By signing on to a Library computer, you agree to the following:

1. I will not use the Internet for illegal or unethical purposes.
2. I will not send, receive or display materials on a computer, including text, photos or graphics, which may be considered inappropriate for public viewing.
