SUBJECT: Coach Al Lowe Boxing Center Sign Unveiling Ceremony

On Thursday, July 12, 2012, at noon, Coach Al Lowe will join his family, friends and supporters for the unveiling of the new sign at the Coach Al Lowe Boxing Center, adjacent to Lindley Recreation Center.

Coach Lowe is most deserving of this recognition as he formed the Greensboro Boxing Club over 40 years ago at the Fellowship Hall at Centenary United Methodist Church. He wanted to create an outlet for young men to focus their anger in a controlled and positive environment. As the program grew, the Greensboro Boxing Club relocated to Lindley Recreation Center in 1978 where Coach Lowe expanded the offerings to meet the needs of thousands of community residents.

On October 12, 2011, the Greensboro Parks & Recreation Commission accepted an application and petition, requesting the facility to be renamed the Coach Al Lowe Boxing Center. After posting a public notice for the required 30 days, the commission approved renaming the center in honor of Coach Lowe on November 29, 2011. City Council approved the naming request at their meeting on December 13, 2011.

We look forward to the unveiling of the Coach Al Lowe Boxing Center sign on July 12 and deeply appreciate his years of dedication and commitment to the department and the residents of our community.

- On the night of June 18th, I had to call 911 to help my 10 month old son who had swallowed and choked on something. The 911 operator was very professional and quick to dispatch the Fire Department and EMS. I was extremely pleased that within minutes the Fire Department was at my home and they were very helpful and professional. The EMS arrived shortly thereafter and was equally helpful and professional. The care and concern they provided our child was heartwarming! Absolutely superb! My family is very grateful for their assistance, help, and more importantly, their care. I have never witnessed such high level of service and I am grateful for these ladies and gentleman. I am proud to live in a city that exhibits such care and concern for its citizens. The Fire Department definitely deserves to be honored for not just their work but the passion that they bring with them. My family and I thank you!

Transportation – 1 comment:

- Concerned about where taxi cabs are located at the Depot in relation to the Amtrak section. Came in on a train with out of town visitors, was told that cabs are not allowed to pull into the circle in front of the Amtrak section, but have to wait at the street or up by the buses. Very inconvenient for elderly with luggage, in the rain, late at night, etc. and not like other towns where access to cabs is easy, close, and protected. Would like to see this changed. He was embarrassed for the people from out of town. He'd been telling them how great Greensboro is, and then this happened.

Overall

Calls about overgrown lots increased last week. Otherwise, we received the normal mix of calls. Call volume remained steady through the end of the week.
