**DATE:** January 27, 2009  
**TO:** Mayor & City Council  
**FROM:** Mitchell Johnson, City Manager  
**SUBJECT:** ITEMS FOR YOUR INFORMATION

### **Sixteenth Annual Safety Breakfast**

The City of Greensboro will hold its Sixteenth Annual Safety Breakfast to recognize the hard work of the employees in accident prevention activities. In addition to recognizing the members of the various departmental safety committees, the City will especially recognize individuals for their outstanding safety efforts by awarding them the Walt Courmon Award. The Walt Courmon Award is named after the first Safety and Health manager in Water Resources. This year we are privileged to have as our speaker the **NC Commissioner of Labor Cherie Berry**. The breakfast will occur on January 30 at 7:30 in the Carlyle Club at the Coliseum Complex.

### **Meeting with Guilford Delegation**

On Friday, February 6 staff will hold a technical briefing with the Guilford Delegation to Raleigh to review Annexation and Jordan Lake policy, both major items of concern for the city. We will also take the opportunity to encourage the delegation to protect state-shared revenues for municipalities as they look at the budget for this year and next, share the City's legislative agenda and economic stimulus projects. This meeting is part of our on-going legislative advocacy efforts.
