**TO:** Chris Wilson, Assistant City Manager

**FROM:** Nasha McCray, Director

**SUBJECT:** Summer Meal Distribution

With summer approaching, the Parks and Recreation Department is again joining forces with the community to ensure that youth have access to nutritious meals when school is not in session. This service continues to be made possible through a partnership funded by Guilford County Schools and the US Department of Agriculture's Summer Food Service Program, and collaboration and support from the Out of the Garden Project, Community Food Task Force, and other agencies.

### **Parks & Recreation Meal Locations**

This summer, participants and teen counselors-in-training attending one of the department's 9 community recreation center day camps will receive breakfast and lunch for all nine weeks of camp. Free lunches will also be made available at the Greensboro Sportsplex's All-Star Sports Camp and through the department's ENERGY at the Park Summer Playground Program offered Monday through Thursday at eight different neighborhood parks for seven weeks.

For your convenience, locations along with addresses can be found below:
