

US Census 2020

What is it? The US Census counts every person living in the US and the five US territories.

www.2020census.gov/en/what-is-2020-census

Who is counted? The US Census Bureau counts all people of all ages, races, gender, education, national origin, and citizenship status.

www.2020census.gov/en/who-to-count

When does this happen? By April 1, 2020, every home will receive info in the mail to participate in the 2020 Census.

www.2020census.gov/en/important-dates

How do you participate? Answer the census' questions for each person in your household. You may do this online, by phone or by mail following the directions you will be sent.

www.2020census.gov/en/about-questions

Why you should participate? The once-a-decade census data helps businesses, researchers, and communities make decisions about and obtain funding for things like health care, jobs, schools, roads, and political representation.
