

“What to Do in Case” Series

Greensboro Police Department

An emergency response vehicle is behind you:

- Pull to the right and come to a complete stop. If you’re traveling on a high-speed road or if there is no room to stop, slow down as much as possible.
- If you are in the left lane, pull over into the right lane as traffic in the lane to your right moves over.
- If you cannot move to the right because of another vehicle or obstacle, just stop.
- If you are stopped at an intersection, stay where you are unless you can pull to the right.
