

Family Contract for Online Safety

Parents' Pledge

1. I will get to know the services and Web sites my child uses. If I don't know how to use them, I'll get my child to show me how.
2. I will set reasonable rules and guidelines for computer use by my children and will discuss these rules and post them near the computer as a reminder. I'll remember to monitor their compliance with these rules, especially when it comes to the amount of time they spend on the computer.
3. I will not overreact if my child tells me about a problem he or she is having on the Internet. Instead, we'll work together to try to solve the problem and prevent it from happening again.
4. I promise not to use a PC or the Internet as an electronic babysitter.
5. I will help make the Internet a family activity and ask my child to help plan family events using the Internet.
6. I will try to get to know my child's "online friends" just as I try get to know his or her other friends.

I agree to the above

Kids' Pledge

1. I will not give out personal information such as my address, telephone number, parents' work address/telephone number, or the name and location of my school without my parents' permission.
2. I will tell my parents right away if I come across any information that makes me feel uncomfortable.
3. I will never agree to get together with someone I "meet" online without first checking with my parents. If my parents agree to the meeting, I will be sure that it is in a public place and bring my mother or father along.
4. I will never send a person my picture or anything else without first checking with my parents.
5. I will not respond to any messages that are mean or in any way make me feel uncomfortable. It is not my fault if I get a message like that. If I do I will tell my parents right away so that they can contact the service provider.
6. I will talk with my parents so that we can set up rules for going online. We will decide upon the time of day that I can be online, the length of time I can be online, and appropriate areas for me to visit. I will not access other areas or break these rules without their permission.
7. I will not give out my Internet password to anyone (even my best friends) other than my parents.
8. I will be a good online citizen and not do anything that hurts other people or is against the law.
