

“What to Do in Case” Series

Greensboro Police Department

You are in the vicinity of an active shooter:

The memory jogger for this plan for this is: “Run, Hide, Fight.”

RUN - Get out of the building, or away from the shooter. Do not stop to render aid to injured persons.

HIDE – Ideally behind a closed and locked door. Silence your phone and be very quiet.

FIGHT – If you have no other options, attack the shooter with all your might. Act as a group, find weapons, and fight until the attacker is incapacitated.

Call 911 when it is safe to do so. Follow officers' instructions when they arrive.
