

Z-18-03-009

City of Greensboro Planning Department Zoning Staff Report and Plan Amendment Evaluation

Zoning Commission Hearing Date: March 19, 2018

GENERAL INFORMATION

APPLICANT	Terrance Gerald Sr. for HRG, Inc.
HEARING TYPE	Rezoning Request
REQUEST	PI (Public and Institutional) to CD-RM-8 (Conditional District - Residential Multi-Family - 8) with the following condition:
CONDITIONS	1. Use limited to a maximum of 13 residential dwelling units.
LOCATION	1322 Bothwell Street
PARCEL ID NUMBER(S)	0014290
PUBLIC NOTIFICATION	The notification area for this public hearing was 600 feet (Chapter 30-4-1.4 of the Land Development Ordinance requires notification of the owner of that parcel of land and the owners of all parcels of land adjoining and contiguous to that parcel of land as shown on the County tax listing). 43 notices were mailed to those property owners in the mailing area.
TRACT SIZE	1.5 Acres
TOPOGRAPHY	Primarily flat
VEGETATION	Residential

SITE DATA

Existing Use	Vacant
Adjacent Zoning	Adjacent Land Uses
N CD-PI (Conditional District Public Institutional) R-5 (Residential Single Family)	Undeveloped
E LI (Light Industrial) PI (Public Institutional)	I-40/Business 85
W R-5 (Residential Single-Family)	Single-family dwellings
S LI (Light Industrial)	I-40/Business 85

Zoning History

Case #	Date	Request Summary
N/A	N/A	The property is currently zoned PI (Residential Single-Family) and has been since the adoption of the Land Development ordinance in July 2010. Prior to the LDO, the subject property was zoned PI (Public Institutional).

ZONING DISTRICT STANDARDS

District Summary *

Zoning District Designation:	Existing (PI)	Requested (CD-RM-8)
Max. Density:	N/A	Maximum 13 dwelling units
Typical Uses	Primarily intended to accommodate mid and large-sized public, quasi-public and institutional uses.	Conditioned to allow a maximum of 13 residential dwellings

**These regulations may not reflect all requirements for all situations; see the City of Greensboro Land Development Ordinance for all applicable regulations for site requirements for this zoning district.*

SPECIAL INFORMATION

Overlay District Ordinance/Historic Preservation

n/a

Environmental/Soils

Water Supply Watershed Site drains to S. Buffalo Creek, non-watersupply watershed

Floodplains Part of the lot is located in the FEMA flood zone AE 1% SFHA. Currently, no structures are located in the FEMA 1% SFHA.

Streams S. Buffalo Creek Tributary 8

Other: If >1acre is disturbed and the BUA is increased, site must meet Phase 2 requirements – water quality and water quantity control must be addressed.

Utilities (Availability)

Potable Water Available

Waste Water Available

Airport Overlay District & Noise Cone

n/a

Landscaping & Tree Conservation Requirements

Landscaping:

Street Yards:

Street planting yards must be installed abutting public street rights-of-way. The required street planting yard must have a minimum width of 10 feet (as measured from the outside edge of the right-of-way or the back of the sidewalk, whichever is further from the street centerline) and include at least 2 canopy trees and 17 shrubs per 100 linear feet of required street planting yard, not including allowed driveways.

Buffer Yards:

Adjacent to single family residential: Type C buffer yard, with an average width of 15', a minimum width of 10', and a planting rate of 2 canopy trees, 3 understory trees, & 17 shrubs per 100 linear feet.

Adjacent to vacant property or multi-family residential: Vehicular Use Area buffer yard (see below) between any parking lot or drive aisle and the adjacent property line

Parking Lots:

When a parking lot or other vehicular use area abuts a vacant site or a site with the same land use classification as the subject site, a planting yard with a minimum width of 5 feet must be provided between the parking lot/vehicular use area and the abutting (interior) property line. This required planting area must be landscaped with at least 2 understory trees and 18 evergreen shrubs per 100 linear feet.

Trees for required parking spaces: 1 canopy tree per 12 spaces, in islands or medians within the parking lot.

Tree Conservation:

For 1.5 acres, 5% of parcel size in critical root zone to be dedicated for Tree Conservation.

Transportation

Street Classification: Bothwell Street – Local Street.

Site Access: All access(s) must be designed and constructed to the City of Greensboro standards.

Traffic Counts: None Available.

Trip Generation: N/A.

Sidewalks: Sidewalks are a requirement of the Development Ordinance. 5' sidewalk with a 5' grass strip is required along both sides of thoroughfares. 5' sidewalk with a 3' grass strip is required along one side (at a minimum, collectors may require sidewalk on both sides) of all other street types. Sidewalk does not exist along the frontage of this property.

Transit in Vicinity: Yes, GTA Route 4 (Benbow / Willow Road) is adjacent to subject site, along Bothwell Street.

Traffic Impact Study: No TIS required per TIS Ordinance.
(TIS)

Street Connectivity: N/A.

Other: N/A.

IMPACT/POLICY ANALYSIS

Land Use Compatibility

The proposed **RM-8 (Residential, Multi-family – 8 du/ac)** zoning would allow land uses that are compatible with the general character of the area.

Connections 2025 Comprehensive Plan Policies

The Generalized Future Land Use Map designates this location as **Mixed Use Commercial**. The requested **RM-8 (Residential, Multi-family – 8 du/ac)** zoning district, as conditioned, is generally consistent with the **Mixed Use Commercial** GFLUM designation.

Connections 2025 Written Policies

Land Use Goal 4.1 – Growth Strategy: Promote sound investment in Greensboro's urban areas, including Center City, commercial and industrial areas, and neighborhoods.

Policy 4A: Remove present impediments to infill and investment in urban areas.

Policy 4B: Target capital investments to leverage private investment in urban areas.

Policy 4C: Promote new patterns and intensities of use to increase economic competitiveness and enhance quality of life in urban areas.

Policy 4D: Identify potential opportunities and selectively target, plan and promote development/reuse initiatives.

Community Character, Goal 5.2 – Man-Made Environment: Preserve and enhance the character and visual quality of Greensboro's built environment, including historic resources, private developments, and public landscapes.

Policy 5E: Improve the aesthetic quality of publicly owned and maintained landscapes.

Policy 5F: Implement and improve design standards governing the appearance of development from public roadways.

Housing and Neighborhoods, Goal 6: Meet the needs of present and future Greensboro citizens for a choice of decent, affordable housing in stable, livable neighborhoods that offer security, quality of life, and the necessary array of services and facilities.

Policy 6C: Promote the diversification of new housing stock to meet the needs of all citizens for suitable, affordable housing.

Economic Development, Goal 7: Promote a healthy, diversified economy with a strong tax base and opportunities for employment, entrepreneurship and for-profit and non-profit economic development for all segments of the community, including under-served areas such as East Greensboro.

Policy 7A: Target city investment and regulatory policies for economic development.

Policy 7C: Ensure that city land use policies and regulations allow for an adequate supply of land to accommodate economic development.

Transportation, Goal 8: Develop and maintain a safe, efficient, and environmentally sound transportation system that provides convenient choices for accessing destinations

throughout Greensboro and the Triad, including a range of well-integrated transit, pedestrian, and bicycle linkages.

Policy 8A: Maintain a roadway network that safely and efficiently accommodates vehicular traffic while supporting other community objectives defined in the Comprehensive Plan.

Connections 2025 Map Policies

Mixed Use Commercial: This designation is intended to promote a mix of uses, of which various commercial uses remain predominant, but where residential, service, and other uses are complementary. Where applied to older highway corridors characterized by “strip” commercial uses, the intent is to encourage infill and redevelopment for a more diverse and attractive mix of uses over time. Examples include residential units over commercial uses or a wider array of economically viable uses to replace obsolete uses. Such areas also may represent opportunities for the introduction of substantial higher density and/or mixed-income housing, with negligible impacts on, or resistance from, nearby single-family neighborhoods. Ensuring that buildings are of the appropriate scale and intensity is critical, as is ensuring that sites are designed in a coordinated, as opposed to a lot-by-lot, manner. New “strip” commercial development is discouraged.

CONFORMITY WITH OTHER PLANS

City Plans

Sustainability Action Plan

Element 1) Transportation and Land Use:

Policy 1) Encourage increased density, a mix of land uses and more integrated links between transportation and land use through changes to Greensboro’s Comprehensive Plan, Development Ordinance and other related plans.

Element 2) Green Jobs and Buildings:

Policy 3) Develop a coordinated City program to provide technical support, energy audits and education and outreach to increase energy efficiency and conservation in commercial and residential buildings.

Policy 4) Use a combination of code changes, incentives, partnerships and education to promote green building in Greensboro.

Policy 6) Promote more efficient use of water through education, partnerships and pilot projects.

Element 3) Waste Reduction and Recycling:

Policy 7) Employ a combination of expanded recycling infrastructure, regulations and incentives to increase Greensboro’s solid waste diversion and recycling rates.

Element 6) Education and Outreach:

Policy 11) Provide technical support, awards and recognition to individuals and organizations furthering Greensboro’s energy and sustainability efforts.

Other Plans

STAFF ANALYSIS AND RECOMMENDATION

Community Outreach

Applicant is strongly encouraged to discuss this proposed rezoning and development with owners of surrounding properties, and with representatives of the Benbow Park neighborhood, within which the subject site is located.

Based on the absence of complete sidewalk connections in the vicinity, long term safety and accessibility for residents, employees, and visitors at the subject site would be greatly enhanced by the presence of continuous sidewalks along Bothwell Street and Southside Boulevard.

Staff Analysis

The 1.5-acre subject property is currently a vacant building that previously housed an assisted living facility. North of the request is undeveloped (zoned CD-PI). East and south of the request is Interstate 40 and Business Interstate 85 (zoned LI). West of the request are single-family dwellings (zoned R-5).

The applicant is requesting the rezoning in order to provide additional multifamily residential opportunities for veterans outside of a larger institutional setting. The proposed CD-RM-8, as conditioned, limits development to a maximum of 13 residential dwelling units and allows for the reuse of a currently vacant building. The CD-RM-8 zoning, as conditioned, is also compatible with nearby R-5 single family residential zoning.

The Comprehensive Plan's Future Land Use Map designates this area as Mixed Use Commercial. This designation generally promotes a mixture of uses, of which various commercial uses are predominant but where residential, service and other uses are considered complementary. The proposed rezoning request supports both the Comprehensive Plan's Reinvestment/Infill goal to promote sound investment in Greensboro's urban areas and the Housing and Neighborhoods goal to meet the needs of present and future Greensboro citizens for a choice of decent, affordable housing in stable, livable neighborhoods.

The request is consistent with the intent and purpose of the zoning code, the Comprehensive Plan (Connections 2025) and is generally compatible with the existing development and trend in the surrounding area.

Staff Recommendation

Staff recommends **approval** of the requested **CD-RM-8** (Conditional District-Residential Multifamily) zoning district.
