

Z-19-04-010

City of Greensboro Planning Department Zoning Staff Report and Plan Amendment Evaluation

Zoning Commission Hearing Date: April 15, 2019

GENERAL INFORMATION

APPLICANT	Penske Truck Leasing Company
HEARING TYPE	Original Zoning Request
REQUEST	County AG (Agricultural) to City CD-LI (Conditional Light Industrial).
CONDITIONS	1. All uses permitted LI zoning district permitted except the following: Laundry and Dry Cleaning Plants; Sheet Metal Shop and Welding, Machine and Tool Repair Shop
LOCATION	3712, 3724 and 3742 McConnell Road
PARCEL ID NUMBER(S)	7894318789, 7894413794, and 7894410399
PUBLIC NOTIFICATION	The notification area for this public hearing was 600 feet (Chapter 30-4-1.4 of the Land Development Ordinance requires notification of the owner of that parcel of land and the owners of all parcels of land adjoining and contiguous to that parcel of land as shown on the County tax listing). 10 notices were mailed to those property owners in the mailing area.
TRACT SIZE	14.86 Acres
TOPOGRAPHY	Sloping towards highway
VEGETATION	Partially wooded

SITE DATA

Existing Use	Vacant Single-family Dwellings	
	Adjacent Zoning	Adjacent Land Uses
N	County AG (Agricultural)	Single-family Residences and Agricultural
E	County AG (Agricultural)	Agricultural
W	City CD-RM-18 (Conditional District – Residential Multi-family - 18)	Multi-family dwellings

S County AG (Agricultural) Highway R-O-W

Zoning History

Case #	Date	Request Summary
N/A	N/A	The subject property is not currently located in the City's jurisdiction.

ZONING DISTRICT STANDARDS

District Summary *

Zoning District Designation:	Existing (County AG)	Requested (City CD-LI)
Max. Density:	N/A	N/A
Typical Uses	Primarily intended to accommodate various agricultural uses and support facilities.	Uses permitted in LI zoning district except the following: Laundry and Dry Cleaning Plants; Sheet Metal Shop and Welding, Machine and Tool Repair Shop

**These regulations may not reflect all requirements for all situations; see the City of Greensboro Land Development Ordinance for all applicable regulations for site requirements for this zoning district.*

SPECIAL INFORMATION

Overlay District Ordinance/Historic Preservation

n/a

Environmental/Soils

Water Supply Watershed Site drains to Lake MacIntosh WS-IV, Little Alamance Creek sub-basin

Floodplains >2000LF

Streams Potential stream onsite which must be identified. If feature is either perennial or intermittent a 50ft stream buffer will apply.

Other: Max. BUA for High Density development with sewer is 70%. If site is developed as a Low Density Development 24% or less, a scoresheet must be completed for 120 points. Site must meet watershed requirements – water quality and water quantity control must be addressed.

Utilities (Availability)

Request a water/sewer feasibility from Kenny Treadway 336-373-2055

Airport Overlay District & Noise Cone

Landscaping & Tree Conservation Requirements

Landscaping:

Street Yards:

Street planting yards must be installed abutting public street rights-of-way. The required street planting yard must have a minimum width of 10 feet (as measured from the outside edge of the right-of-way or the back of the sidewalk, whichever is further from the street centerline) and include at least 2 canopy trees and 17 shrubs per 100 linear feet of required street planting yard, not including allowed driveways.

Buffer Yards:

Adjacent to multi-family residential uses: Type A buffer yard, with an average width of 45', a minimum width of 35', and a planting rate of 4 canopy trees, 10 understory trees and 33 shrubs per 100 l.f.

Parking Lots:

Trees for required parking spaces: 1 canopy tree per 12 spaces, in islands or medians within the parking lot.

Tree Conservation:

For 14.86 acres, 10% of parcel size to be dedicated in critical root zone for Tree Conservation.

Transportation

- Street Classification: McConnell Road – Major Thoroughfare.
I-40 – Freeway.
- Site Access: All access(s) must be designed and constructed to the City of Greensboro standards.
- Traffic Counts: McConnell Road AADT = 4,100 vpd (NCDOT, 2017).
- Trip Generation: N/A.
- Sidewalks: Sidewalks are a requirement of the Development Ordinance. 5' sidewalk with a 5' grass strip is required along both sides of thoroughfares. 5' sidewalk with a 3' grass strip is required along one side (at a minimum, collectors may require sidewalk on both sides) of all other street types. Sidewalk does not exist along the frontage of this property.
- Transit in Vicinity: No.
- Traffic Impact Study: No TIS required per TIS Ordinance.
(TIS)
- Street Connectivity: N/A.
- Other: N/A.

IMPACT/POLICY ANALYSIS

Land Use Compatibility

The proposed **City CD-LI (Conditional District – Light Industrial)** zoning, as conditioned, would allow land uses that are compatible with the general character of the area.

Connections 2025 Comprehensive Plan Policies

The Generalized Future Land Use Map designates this location as **Mixed Use Corporate Park**. The requested **City CD-LI (Conditional District – Light Industrial)** zoning district, as conditioned, is generally consistent with the **Mixed Use Corporate Park** GFLUM designation. The Growth Strategy Map designates the subject site as being within Growth Tier 1, Current Growth Area (2013 – 2019).

Connections 2025 Written Policies

Land Use Goal 4.3 – Growth at the Fringe: Provide a development framework for the fringe that guides sound, sustainable patterns of land use, limits sprawl, protects rural character, evidences sound stewardship of the environment, and provides for efficient provision of public services and facilities as the City expands. Development will increase density and mix land uses at a pedestrian scale with sidewalks, bikeways, and where possible, public transit.

Policy 4F: Initiate a fringe area growth management framework comprising the following elements:

- Create a Fringe Area Land Use Plan;
- Establish a “tiered” approach that designates growth areas for staged development, annexation, and extension of public facilities within the water and sewer service boundary;
- Define specific criteria for water and sewer extensions and annexations;
- Initiate designation of the fringe as Greensboro's extraterritorial jurisdiction; and
- Establish a proactive plan to provide infrastructure in advance of development, consistent with the growth “tiers” and Fringe Area Land Use Concept Plan.

Policy 4G: Improve the quality and patterns of development through incentives and regulatory guidelines.

Community Character, Goal 5.2 – Man-Made Environment: Preserve and enhance the character and visual quality of Greensboro’s built environment, including historic resources, private developments, and public landscapes.

Policy 5E: Improve the aesthetic quality of publicly owned and maintained landscapes.

Policy 5F: Implement and improve design standards governing the appearance of development from public roadways.

Economic Development, Goal 7: Promote a healthy, diversified economy with a strong tax base and opportunities for employment, entrepreneurship and for-profit and non-profit economic development for all segments of the community, including under-served areas such as East Greensboro.

Policy 7A: Target city investment and regulatory policies for economic development.

Policy 7C: Ensure that city land use policies and regulations allow for an adequate supply of land to accommodate economic development.

Transportation, Goal 8: Develop and maintain a safe, efficient, and environmentally sound transportation system that provides convenient choices for accessing destinations throughout Greensboro and the Triad, including a range of well-integrated transit, pedestrian, and bicycle linkages.

Policy 8A: Maintain a roadway network that safely and efficiently accommodates vehicular traffic while supporting other community objectives defined in the Comprehensive Plan.

Connections 2025 Map Policies

Mixed Use Corporate Park: This designation is intended for large tracts of undeveloped land near the City's fringe that are appropriate for well planned, larger scale business/employment parks with supporting uses such as retail, hotels, and residential. Primary uses such as office, flex office, technology research and development, light manufacturing, distribution, and assembly should be placed in a campus-like or "corporate park" setting with generous, linked open space to maximize value and to promote visual quality and compatibility with the surrounding area. Pedestrian-friendly features such as buildings placed near the street, sidewalks, and trails leading to nearby uses such as retail and housing should be encouraged.

Growth Tier 1, Current Growth Area (2013 – 2019): Where infrastructure systems are in place, can be economically provided and/or will be proactively extended and where continued annexation and consolidation of the City's development pattern shall be encouraged over the next six years.

CONFORMITY WITH OTHER PLANS

City Plans

Sustainability Action Plan

Element 1) Transportation and Land Use:

Policy 1) Encourage increased density, a mix of land uses and more integrated links between transportation and land use through changes to Greensboro's Comprehensive Plan, Development Ordinance and other related plans.

Element 2) Green Jobs and Buildings:

Policy 3) Develop a coordinated City program to provide technical support, energy audits and education and outreach to increase energy efficiency and conservation in commercial and residential buildings.

Policy 4) Use a combination of code changes, incentives, partnerships and education to promote green building in Greensboro.

Policy 6) Promote more efficient use of water through education, partnerships and pilot projects.

Element 3) Waste Reduction and Recycling:

Policy 7) Employ a combination of expanded recycling infrastructure, regulations and incentives to increase Greensboro's solid waste diversion and recycling rates.

Element 6) Education and Outreach:

Policy 11) Provide technical support, awards and recognition to individuals and organizations furthering Greensboro's energy and sustainability efforts.

Other Plans

STAFF ANALYSIS AND RECOMMENDATION

Community Outreach

Applicant is strongly encouraged to discuss this proposed rezoning and development with owners of surrounding properties.

The subject site is located within the area(s) eligible for the following economic development incentive or assistance program(s):

- Economic Development Impact Zone 2 (local).

Staff Analysis

The 14.86 acre subject property is currently contains vacant single-family dwellings. North of the request are single-family dwellings and agricultural uses zoned County AG. East of the request is an agricultural use zoned County AG. South of the request is right of way for Interstate 40/85 which is associated with Z-19-04-011. West of the request are multi-family dwellings zoned City CD-RM-18.

The subject site is currently located in the County. The Growth Strategy Map designates the subject site as Growth Tier 1, Current Growth Area (2013 – 2019), where infrastructure systems are in place, can be economically provided and/or will be proactively extended. The Planning Board recommended approval of the associated annexation request for this property on March 20, 2019, after concluding this property can be served by required City services.

The Comprehensive Plan's Future Land Use Map designates this area as Mixed Use Corporate Park. This designation is intended for large tracts of undeveloped land near the City's fringe that are appropriate for well planned, larger scale business/employment parks with supporting uses such as retail, hotels, and residential. The proposed CD-LI rezoning will support a variety of industrial and supporting uses directly adjacent to an interstate highway and the LI district in general allows uses that in their normal operations have little or no adverse impact upon adjoining properties.

The request is consistent with the Comprehensive Plan's Growth at the Fringe goal to promote sound and sustainable patterns of land use at the City's fringe and the Economic Development goal to promote a healthy, diversified economy with a strong tax base and opportunities for employment, entrepreneurship and for-profit and non-profit economic development for all segments of the community, including under-served areas such as East Greensboro.

This request is consistent with the intent and purpose of the zoning code, the Comprehensive Plan (Connections 2025) and is generally compatible with the existing development and trend in the surrounding area.

Staff Recommendation

Staff recommends **approval** of the requested **City CD-LI (Conditional District Light Industrial)** zoning district.
