

Referenced Plan Program 2020

PROCEDURE:

The intent of this program is to allow the use of the actual previously stamped approved plan by City of Greensboro in compliance with current NCRC code. This previously stamped approved plan is to be made available to the building inspector for all field inspections. A certified stamped copy of our file set, *if still available*, may be provided at a cost.

No plans are saved for this particular address.

ADDRESS: _____

BUILDER/CONTRACTOR: _____

REFERENCED PLAN: _____

I/We (Builder/Contractor) understand that compliance with all applicable **current** NCRC 2018 code (changes) is the Builder's/Contractor's responsibility regardless of previously approved plan design/information. (The Referenced Plan may not have been reviewed per the **current** NCRC 2018 code)

AUTHORIZED BUILDER'S REP: _____
