Hilltop Lift Station, Force Main and Gravity Sewer Improvements
CONTRACT NO. 2017-0930

CITY OF GREENSBORO, NC

Sealed proposals for the Contract listed above as shown and indicated in the Bidding Documents will be received by the City of Greensboro, NC, in the Engineering Conference Room located on the 3rd floor of the City of Greensboro's Melvin Municipal Office Building, until **2:00 p.m. local time**, on **Thursday, November 21, 2019**. The Melvin Municipal Office building is located at 300 West Washington Street, Greensboro, NC 27401. At said time, they will be opened and read publicly.

The Contract generally consists of constructing a new 2 MGD submersible, duplex, fixed-speed sewer lift station with 250 kW backup diesel generator to be located southwest of Sedgefield Lakes at 2604 W. Woodlyn Way, Greensboro, NC to replace the existing lift station located at 5230 Hilltop Rd, Greensboro, NC. The proposed gravity line consists of approximately 4,000 LF of 10-inch and 16-inch sewer and will extend the existing gravity sewer from the Hilltop Lift Station along Bull Run Creek to the new Lift Station. 12,000 LF of 16-inch force main is proposed to run generally parallel to the proposed gravity sewer, then follow Hilltop Road and Bridford Parkway. The new force main will discharge into a proposed 800 LF section of 30-inch gravity sewer to be bored and jacked across the I-40 right-of-way and will discharge into an existing gravity sewer leading to the South Buffalo Outfall. The existing Hilltop Road Lift Station and Force Main will be abandoned as a result of these improvements.

Sealed proposals and MWBE Good Faith Efforts must be submitted on the blank forms provided and as specified in the bound copies of the contract documents. The bid shall be enclosed in two different sealed envelopes addressed to Mr. Danny Hawk, Engineering Division, 300 West Washington Street, Greensboro, NC 27401. The outside of each envelopes shall be plainly marked with the Project Name; Contract Number; the name, address and license number of the Bidder; and with the notation "BID ENCLOSED" and the other envelope with the MWBE participation noted as "MWBE GOOD FAITH EFFORTS".

Plans and specifications may be purchased from the City of Greensboro for a non-refundable fee of \$150.00 per set, payable by check to "The City of Greensboro". You may contact Mr. Danny Hawk, Engineering Division, 300 West Washington Street, Greensboro, North Carolina 27401-3136, telephone: (336) 433-7308, fax: (336) 373-2338, or email: danny.hawk@greensboro-nc.gov, any time between 7:30 a.m. and 4:30 p.m., Monday through Friday. Mailing costs will be \$25.00 per set or charged to the contractor's shipping account. Any Contractor bidding on the project must obtain Contract Documents from the OWNER at the above address. A list of plan holders is available from the OWNER.

A pre-bid meeting will be held at **10:00 a.m. Thursday, October 24, 2019** in the Melvin Municipal Office Building 3rd Floor Engineering Conference located at 300 West Washington Street, Greensboro, NC. City of Greensboro personnel will discuss MWBE requirements and the ENGINEER will be available to discuss the Contract and answer pertinent questions. Attendance is encouraged.
