# **Small Business Funding**

## **Small Business- Funding Resource Guides**

*Compiled, updated listings of various funding sources including grants and loans.*

- [Business Link NC](#) <sup>1,2,3</sup>- Business Link North Carolina (BLNC) provides business owners with information and resources available from the State of North Carolina to assist their companies, from start-ups to major employers. BLNC business counselors help callers with information about registering a business with the state, business and occupational licenses, tax requirements, government contracting, business plans, tax information to marketing and access to capital. Counselors are available to offer information and services in Spanish.
- [Candid](#) <sup>1</sup> - Through research, collaboration, and training, Candid connects nonprofits, foundations, and individuals to the resources they need to do good, building on 88 years of dedicated experience. Candid has created three dedicated websites for collecting and disseminating information on funding and support for nonprofits and small businesses.
- [COVID19 Capital Relief](#) <sup>1</sup>- A comprehensive, searchable database that includes grants, loans, and other cash equivalents that can help entrepreneurs, nonprofits, and businesses anywhere in the world.

1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities

2- Not providing specific COVID-19 related grant or loan opportunities

3- Information provided in Spanish

Updated 5/21/20

- [GrantStation Covid-19 Related Funding](#)<sup>1</sup>- GrantStation.com, Inc. offers nonprofit organizations, educational institutions, and government agencies the opportunity to identify potential funding sources for their programs or projects as well as resources to mentor these organizations through the grantseeking process. They are collecting updated funding resources for small businesses and nonprofits impacted by Covid-19.
- [Gusto COVID-19 Small Business Financial Relief Guide](#)<sup>1</sup> - Gusto is a platform for businesses to process payroll, benefits, and more. They have compiled an updated resource listing state-by-state as well as national funds, grants, and resources for small businesses.
- [NC Biotech Center COVID-19 Resources for North Carolina Life Science Companies and Researchers](#) - This page compiles resources and news relevant to local life science companies and researchers including information and funding opportunities related to COVID-19.
- [Supportedly](#)<sup>1</sup>- Supportedly exists to help entrepreneurs & ecosystems start and grow with confidence through a combination of connectivity tools, actionable training and content, and community engagement programs.
- [U.S. Chamber of Commerce Foundation's List of Financial Assistance for Small Business](#)- The U.S. Chamber of Commerce Foundation is compiling an updated list of programs providing financial assistance to small businesses impacted by COVID-19.

## **Small Business- Federal Funding**

*Funding available from the Federal Government.*

1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities

2- Not providing specific COVID-19 related grant or loan opportunities

3- Information provided in Spanish

Updated 5/21/20

- [Small Business Administration](#) <sup>3</sup>- Providing extensive support for small businesses and nonprofits impacted by COVID-19 through low interest loans and other funding programs. PPP and EIDL-Advance funds are dependent on federal appropriation. Check websites listed below for further details.
  - [Paycheck Protection Program \(PPP\)](#)
  - [Economic Injury Disaster Loan Emergency Advance \(EIDL-Advance\)](#)
    - SBA will begin accepting new Economic Injury Disaster Loan (EIDL) and EIDL Advance applications on a limited basis only to provide relief to U.S. agricultural businesses.
    - Agricultural businesses includes those businesses engaged in the production of food and fiber, ranching, and raising of livestock, aquaculture, and all other farming and agricultural related industries (as defined by section 18(b) of the Small Business Act (15 U.S.C. 647(b)).
    - SBA is encouraging all eligible agricultural businesses with 500 or fewer employees wishing to apply to begin preparing their business financial information needed for their application.
    - Eligible agricultural businesses may apply for the Loan Advance [here](#).
  - [SBA Express Bridge Loans](#)
  - [SBA Debt Relief](#)
- [Federal Reserve Main Street Lending Program](#)- “The Main Street Lending Program is available to businesses with fewer than 10,000 employees and revenue of less than \$2.5 billion a year. Loans, ranging in size from \$1 million to \$25 million, will be available through any FDIC-insured depository institution. The loans carry a four-year term. There are fees of 1% paid to the government, 1% to the bank and an ongoing cost of 0.25% for servicing fees.” from [Triad Business Journal](#)
  - (4/30) [The Federal Reserve](#) has expanded the scope and eligibility for the Main Street Lending Program. The changes include:

1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities

2- Not providing specific COVID-19 related grant or loan opportunities

3- Information provided in Spanish

Updated 5/21/20

- Creating a third loan option, with increased risk sharing by lenders for borrowers with greater leverage;
- Lowering the minimum loan size for certain loans to \$500,000; and
- Expanding the pool of businesses eligible to borrow.

## Small Business- General Funding

*Various funding options open to a variety of different types of small business. Closely review eligibility requirements and application dates.*

- [Booz Allen Foundation: Innovation Fund](#) - The Innovation Fund is intended to help nonprofits, entrepreneurs, thought leaders, innovators at colleges and universities, and startups and small businesses harness the power of data, technology, and diverse intellectual capital to improve COVID-19 relief efforts. The focus is on solutions and projects that will build lasting community resilience through protecting vulnerable populations and frontline workers or providing for the safe return to work. Application deadline is June 5th.
- [DGI Retail Revitalization Grant Program](#)- The DGI Retail Revitalization Grant Program is a small business grant available to help businesses in downtown Greensboro impacted by COVID-19. Grants of up to \$1,500 will be awarded for new business plan initiatives, inventory growth, marketing, rent assistance, job retention, and other related business expenses. Any storefront retail business that sells a good or service located in the downtown Greensboro Business Investment District (BID) is eligible to apply. Must have been open for business prior to January 1, 2020 to be eligible. Grant recipients may request up to \$1,500

- 1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities
- 2- Not providing specific COVID-19 related grant or loan opportunities
- 3- Information provided in Spanish

Updated 5/21/20

- [FedEx #SupportSmall Grants](#) - FedEx is providing grants to small businesses that have been greatly impacted financially by the COVID-19 crisis in the U.S. You must be older than 18; be a U.S.-based for-profit small business in operation and selling for more than 1 year, with less than 50 employees; have less than \$5 million in annual sales revenue in 2019; and have shipped in the last 12 months and/or plan to ship in the coming 12 months as part of your business. Non-profits, franchised businesses, direct-seller/reseller businesses, independent consultants and previous winners in the FedEx Small Business Grant Contest are not eligible to apply for this grant. The application process opens on May 25, 2020, and the deadline to apply for a grant is June 12, 2020, at 11:59:59 p.m. ET.
- [Freelancers Relief Fund](#) - ~~Freelancers Relief Fund will offer financial assistance of up to \$1,000 per freelance household to cover lost income and essential expenses not covered by government relief programs, including food/food supplies, utility payments, and cash assistance to cover income loss.~~ ( Applications have been temporarily closed due to the overwhelming response they have received from the Freelance community. They will send an update to members when they are able to reopen application submissions.)

- 1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities
- 2- Not providing specific COVID-19 related grant or loan opportunities
- 3- Information provided in Spanish

- [GoFundMe Small Business Relief Fund](#) - The Small Business Relief Fund will provide one-time matching grants to qualifying small businesses to help alleviate the financial burdens during these pressing times. Donations to the relief fund will be paid out as grants to businesses that qualify, and which businesses have created a fundraiser through the Small Business Relief Initiative or had an existing GoFundMe. To qualify for a matching grant from the Small Business Relief Fund, the GoFundMe fundraiser must raise at least \$500 and verify that your small business has been negatively impacted by a government mandate due to the COVID-19 pandemic. Your small business must be independently owned and operated, and must not be nationally dominant in your field of operation. Each recipient of the matching grant must intend on using the funds to help care for your employees or pay ongoing business expenses.
- [Hello Alice COVID-19 Business for All Grants](#)<sup>3</sup>- Hello Alice is for anybody and everybody who wants to start or grow a business. Hello Alice (helloalice.com) helps businesses launch and grow. A free, predictive technology, Hello Alice guides business owners by providing access to funding, networks and services. Hello Alice is offering \$10,000 grants being distributed immediately to small business owners impacted by coronavirus, as part of our broader mission to ensure Business for All. In addition to funding, grant recipients will receive ongoing support from the Hello Alice community.

1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities

2- Not providing specific COVID-19 related grant or loan opportunities

3- Information provided in Spanish

- [Local Initiatives Support Corporation \(LISC\)/ Verizon Small Business Recovery Fund](#) <sup>3</sup>- Government, foundations and for-profit companies have the capital; residents and local institutions understand the need; and LISC bridges the gap by offering the relationships and expertise to help community organizations attract the kinds of resources that allow them do their best work. They receive their funding from banks, corporations, foundations and government agencies. In turn, they use that funding to provide financing (loans, grants and equity) and technical and management assistance to local partners and developers. LISC has received a \$2.5 Million investment from Verizon for its Verizon Small Business Recovery Fund. **The 3rd round of funding has closed, but individuals can register on the website to receive an update when the next cycle opens.** Includes nonprofits.
- [NC IDEA](#) <sup>2</sup>-NC IDEA empowers entrepreneurs to reach their full potential by offering support when they need it most. Their strategic combination of competitive grants and programs helps entrepreneurs at all stages of business development.
- [NC Rapid Recovery supported by the Golden Leaf Foundation](#) <sup>3</sup>- The North Carolina COVID-19 Rapid Recovery Lending program supports North Carolina small businesses and family farms as they recover from the economic impact of COVID-19. This rapid recovery loan helps small businesses bridge the gap between when crisis strikes and when federal loans, insurance payouts, and other relief funds are approved, or businesses have time to recover. This is not a grant program. Repayment is expected.
- [PBC x Jaycees of Greensboro - Small Business Micro-Grant Program](#)  
~~- Up to 10 \$500 grants for small businesses are available, first come, first served. Sponsored by Piedmont Business Capital & Greensboro Jaycees. (Applications have closed)~~

1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities

2- Not providing specific COVID-19 related grant or loan opportunities

3- Information provided in Spanish

- [Piedmont Business Capital \(PBC\) Small Business Continuity Fund](#)- An emergency fund to provide low barrier access to capital to small businesses in Greensboro. PBC will deploy small-dollar 0% interest loans from \$5,000 – \$10,000 depending on need with all payments deferred for the first 90-days on 48 to 60-month terms. PBC will support with wrap-around services to counsel the business through the changing landscape of commerce as a direct result of this virus. Nonprofits, independent contractors, self-employed, and more are eligible. (Applications have closed due to exceeding funding. Applications will be considered if additional funding is secured. Applicants are encouraged to apply to the [NC Rapid Recovery fund here](#) or explore [Piedmont Business Capital's other small business loan opportunities](#)).
- [Salesforce Care Small Business Grant](#)- Salesforce is offering \$10,000 grants to U.S. small businesses to provide capital to help them weather this crisis. International small business support will be announced soon. North Carolina application dates are April 24, 2020- May 1, 2020. (Applications closed May 1)
- [Thryv Foundation COVID-19 Grant](#) -The Thryv Foundation is a 501(c)(3) nonprofit organization which empowers, develops and invests in small businesses so they can be more successful, make better decisions and inspire a community. They have developed a grant for businesses impacted by COVID-19. (Applications closed)
- [US Chamber Save Small Business Grant Fund](#)<sup>2</sup>- The Save Small Business Fund is a grantmaking initiative by the US Chamber of Commerce Foundation, offering short-term relief for small employers in the United States and its territories. To qualify, the business must: employ between 3 and 20 people, be located in an economically vulnerable community, and have been harmed financially by the COVID-19 pandemic. (Applications closed)

1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities

Updated 5/21/20

- [Crew Nation Fund](#) - The Crew Nation fund is here to help support live music crews who have been directly impacted as shows are put on pause due to COVID-19. In order to provide assistance to those who have already experienced some financial impact due to this intermission, they will be accepting applications in phases based on when shows were originally scheduled to play. Applications are now closed for those who were impacted by shows originally scheduled to take place in March or April 2020. A new application window will open the week of May 18th for anyone who will be financially impacted by shows scheduled to take place in May 2020.
- [Dear Soul Music \(DSM\) Micro-Grants](#) - DSM will award micro-grants (\$100-\$250) to music artists with projects that could use a little boost during these challenging times. Selections will be made on an ongoing basis April 2020-June 2020.
- [Early Music America Relief Fund](#)- Micro grants for musicians who derive much of their income from early music/historical performance.
- [Economic Hardship Reporting Project](#) - The Economic Hardship Reporting Project (EHRP) is a nonprofit organization that produces compelling journalism to raise awareness about income inequality and economic unfairness in America. The EHRP is offering grants to independent journalists for stories on the intersection of the coronavirus and financial suffering in America, with an emphasis on writers and photographers who are themselves experiencing significant economic hardship caused by the pandemic. EHRP is also offering emergency hardship grants between \$500-\$1500 to professional journalists based in the United States.

Updated 5/21/20

- [Equal Sound Corona Relief Fund](#)- A 501c3, Equal Sound is dedicated to the idea that all music is created equal. Equal Sound curates experiences that illuminate the threads between classical music and other genres to attract and engage new audiences from all musical worlds. The Equal Sound Corona Relief Fund was set up on short notice to provide direct financial assistance to musicians who have lost work as a result of Corona-related event cancellations.
- [Field of Vision Documentary Freelancer Relief Fund](#) - Field of Vision and Topic Studios have created a \$250,000 fund to provide grants for freelancers working in the Documentary field. The fund will distribute unrestricted grants of up to \$2000 to support personal financial needs during the COVID19 pandemic to freelancers who have experienced hardship from loss of income or opportunity as a result of the pandemic. The application will re-open on June 10th at 9am ET.
- [Foundation for Contemporary Arts Emergency Grants COVID-19 Fund](#)- The Foundation for Contemporary Arts is creating a temporary fund to meet the needs of experimental artists who have been impacted by the economic fallout from postponed or canceled performances and exhibitions. Relief will be provided to artists who can demonstrate that they have had an engagement canceled or postponed due to the COVID-19 pandemic. Applicants must be individual artists, or an individual representing an artist collective, ensemble, or group. Curators, producers, workshop organizers, organizations, or arts presenters are not eligible to apply. Ends May 31st.

1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities

2- Not providing specific COVID-19 related grant or loan opportunities

3- Information provided in Spanish

- [Freelance Artist Resource Producing Collective](#)<sup>1</sup> - The Freelance Artist Resource Producing Collective is a short term intervention that gathers and amplifies efforts and ideas that secure freelance artists' livelihood and centers their humanity in the immediate present, while preparing the U.S. arts and culture field for a radically equal, inclusive, anti-racist, and progressive future. This organization has collected a number of emergency funding resources for artist and arts organizations.
- [The Freelance Audio Fund](#) - The Freelance Audio Fund was established to provide emergency relief to the professional audio community impacted by COVID-19. Priority will be given to Individual freelance audio professionals who work as reporters, producers, editors and engineers.
- [Maurice Sendak Emergency Relief Fund](#) - ~~The Maurice Sendak Foundation has seeded a program that will provide one-time grants of up to \$2,500 to children's picture book artists and writers. The program is open to children's picture book artists and writers over the age of 21 in the United States and territories. Funds will be awarded to eligible applicants in the order in which applications are received, and will close once 600 applications are received. (Applications closed)~~
- [National Endowment for the Arts COVID-19 Resources for Artists and Arts Organization](#)<sup>1</sup> - A comprehensive listing of organizations providing frequently updated news and resources for artists and arts organizations.
- [New York Foundation for the Arts Emergency Grants Information](#)<sup>1</sup> - A comprehensive, updated list of funding resources for artists in a variety of disciplines in communities across the United States and beyond.

Updated 5/21/20

- [Golden Rule Charity](#) - ~~Golden Rule Charity provides grants and financial assistance to individuals working in the hospitality industry. To qualify for a grant, you must be employed in a restaurant/hospitality establishment for 6 months. You must apply no later than 6 months after onset of need. Grants will only be awarded to applicants who currently (or at the time of injury or illness) work at least part-time. Grant payments will not be made directly to the applicant; expenses will be paid directly to vendors. For example, if you are approved, we would pay rent for the approved amount directly to your landlord (pending verification) or management company, electric bill would be paid directly to the power company. (applications are currently on hold)~~
- [Hairdressers at Heart](#) - Licensed professional hairstylists and nail techs to salon owners and educators, can apply to receive one of 200 relief checks totaling up to \$1,000 each to assist in their pandemic relief and recovery.
- [James Beard Foundation](#) <sup>1</sup>- ~~The James Beard Foundation is a nonprofit organization whose mission is to celebrate, nurture, and honor chefs and other leaders making America's food culture more delicious, diverse, and sustainable for everyone. They have compiled an updated list of resources for businesses and individuals in the restaurant industry impacted by COVID-19 including guides, webinars, funding resources, and more. (Due to an overwhelming response within hours of opening, the Foundation has suspended the application for the JBF Food and Beverage Industry Relief Fund at this time. JBF will notify their audiences if the application is going to reopen.)~~

- [Elon Law's Small Business & Entrepreneurship Clinic COVID-19 Small Business Response Initiative](#) - Elon Law's Small Business & Entrepreneurship Clinic is expanding this spring to assist regional startups, nonprofits, and entrepreneurs in locating resources and navigating legal questions related to the COVID-19 pandemic. The Small Business & Entrepreneurship Clinic is a fully operational law office staffed by faculty-led Elon Law students who provide pro bono business-related legal services to entrepreneurs and small business owners in Greensboro and throughout Guilford County otherwise unable to afford legal representation. To qualify for free legal assistance, clients must meet certain income eligibility requirements for for-profit ventures and have five or fewer employees. Entrepreneurial businesses and nonprofits interested in services from Elon Law's Small Business & Entrepreneurship Clinic should contact [businessclinic@elon.edu](mailto:businessclinic@elon.edu) to schedule a consultation and to learn more about eligibility requirements. Please include "COVID-19" in the subject line of the email.
- [Facebook Shops](#) - Facebook Shops make it easy for businesses to set up a single online store for customers to access on both Facebook and Instagram. Creating a Facebook Shop is free and simple. Businesses can choose the products they want to feature from their catalog and then customize the look and feel of their shop with a cover image and accent colors that showcase their brand. This means any seller, no matter their size or budget, can bring their business online and connect with customers wherever and whenever it's convenient for them.
- [Forbes Magazine "Free Software that Businesses, Schools, and Others Can Use During the COVID-19 Crisis"](#) - A continually updated list of digital software and customer upgrades that businesses software and service companies are providing for free during the COVID-19 pandemic.

1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities

2- Not providing specific COVID-19 related grant or loan opportunities

3- Information provided in Spanish

- [Greensboro Chamber of Commerce COVID-19 Resources](#)- Comprehensive list of COVID-19 resources.
- [Google for Small Business](#)- Google for Small Business, a Grow with Google initiative, aims to help small business owners find the right Google products to help them succeed in today's digital economy. Businesses provide simple information — their name, website URL, goals, and type of business — and Google for Small Business will provide a prioritized list of Google products to help that business stand out online, reach more customers, and work more efficiently. Google for Small Business has created a resource page for small businesses impacted by COVID-19 that include information on Google tools to help move your business online.
- [Internal Revenue Service \(IRS\) Coronavirus Tax Relief](#)<sup>3</sup>- The IRS has established a special section focused on steps to help taxpayers, businesses and others affected by the coronavirus. This page will be updated as new information is available.
- [North Carolina Bankers Association](#)- The North Carolina Bankers Association (NCBA) has been serving North Carolina's banking industry since 1897. The NCBA is the professional trade organization providing advocacy, leadership and support for its dynamic membership base. They have compiled a resource guide on pandemic planning for banks which will also be instructive for small business owners and nonprofits.
- [North Carolina Business & Employer COVID-19 Resources](#)- Tools and resources collected and distributed by the State of North Carolina for small businesses impacted by COVID-19, including information on executive orders.

1- Not a grant or loan making organization or institution but provides comprehensive listing of grant and loan opportunities

2- Not providing specific COVID-19 related grant or loan opportunities

- 2- Not providing specific COVID-19 related grant or loan opportunities
- 3- Information provided in Spanish

- [Freewill Guide to the CARES Act for Nonprofits](#)- Freewill is an online service that provides legal forms and legal information. They are not a law firm and are not a substitute for an attorney's advice. They were created as a social venture founded by graduate students at Stanford University in 2016, with the help and support of many of the world's leading experts in law, design, and philanthropy. This guide is intended to help nonprofits with fewer than 500 employees navigate the loans made possible by the CARES Act. Specifically, it will focus on the small business lending facility (section 1101-1107), also known as the Paycheck Protection Program (PPP).
- [Guilford Nonprofit Consortium Nonprofit Needs List](#)- The Guilford Nonprofit Consortium is a collaborative of nonprofit organizations, large and small, in Guilford County, North Carolina that fosters mutual assistance and support. This portal is a list of needs from area nonprofits in response to the COVID-19 pandemic. If an individual or an organization can fulfill a need, they are asked to contact the Nonprofit directly.
- [National Council of Nonprofits](#)- The National Council of Nonprofits is a trusted resource and proven advocate for America's charitable nonprofits. Connecting the policy dots across all levels and branches of governments, the Council of Nonprofits keeps nonprofits informed and empowered to create a positive public policy environment that best supports nonprofits in advancing their missions. They have created an updated resource with information specific to Nonprofits impacted by COVID-19.

3- Information provided in Spanish

Updated 5/21/20

- [NC CARES: Humanities Relief Grants](#) - More than \$600,000 in emergency grants will be made available to support nonprofit cultural organizations in the state experiencing hardships due to the coronavirus pandemic. NC CARES: Humanities Relief Grants will be awarded to humanities-focused organizations to maintain their existing humanities programming and services and to innovate, adapt, and strengthen access to humanities programming and services affected by the pandemic. Applications open May 13-29
- [North Carolina Center for Nonprofits](#)- The North Carolina Center for Nonprofits is a state-wide organization that exists to educate, connect, and advocate for North Carolina nonprofits. They have created an updated resource with information for nonprofits and small businesses impacted by COVID-19.
- [North Carolina Network of Grantmakers](#)- The North Carolina Network of Grantmakers (NCNG) connects more than 115 foundations and corporate giving programs to a network of knowledge, resources, and sector colleagues that help them meet their mission and serve the community. The novel coronavirus and resulting COVID-19 disease is a rapidly unfolding situation in North Carolina and across the globe. The effects of the outbreak are likely to be widespread, and will disproportionately affect the most vulnerable among us. With this in mind, NCNG is compiling information and resources related to the outbreak, as well as philanthropy's response.

- UNC School of Law Covid-19 Response Summer Project - The purpose of the Covid-19 Summer Project (the “Project”) is to 1) serve the legal needs of North Carolina charitable nonprofit organizations, including churches and other religious organizations, as they adjust to the Covid-19 pandemic, 2) provide rich practical educational experiences for a cohort of UNC Law students. The Project will focus on the legal needs of small, under-resourced charitable nonprofit organizations in North Carolina. Although many nonprofit organizations are distressed during this challenging time, the Project’s priority will be to serve organizations that could not otherwise afford to pay for legal services and that therefore have nowhere else to turn. The scope of the Project’s representation will depend on the volume of requests; however, in order of priority, it will accept matters involving 1) CARES Act loans and loan forgiveness; 2) other legal questions or challenges arising directly or indirectly from the Covid-19 pandemic, including employment law and risk reduction strategies; 3) other matters concerning the law of nonprofit organizations. Charitable nonprofit organizations seeking assistance should contact Professor Thomas Kelley at [takelley@email.unc.edu](mailto:takelley@email.unc.edu). The email should include a brief description of the organization, including its size and its mission, along with a summary of the organization’s legal challenge(s).
- [The Volunteer Center of the Triad](#) - The Volunteer Center strengthens the community by creating meaningful volunteer connections. We connect people, promote volunteerism, support nonprofits, and build partnerships. They have created a resource for Nonprofits who need volunteers. Community members who are interested in volunteering can view opportunities including opportunities that may be done at home.

# Resources on Reopening the Economy

- [CDC Reopening Guidance for Cleaning and Disinfecting Public Spaces, Workplaces, Businesses, Schools, and Homes](#) - This guidance is intended for all Americans, whether you own a business, run a school, or want to ensure the cleanliness and safety of your home. Reopening America requires all of us to move forward together by practicing social distancing and other daily habits to reduce our risk of exposure to the virus that causes COVID-19. Reopening the country also strongly relies on public health strategies, including increased testing of people for the virus, social distancing, isolation, and keeping track of how someone infected might have infected other people. This plan is part of the larger United States Government plan and focuses on cleaning and disinfecting public spaces, workplaces, businesses, schools, and can also be applied to your home. Additional pandemic preparedness resources from the CDC can be found [here](#) and [here](#).
- [EDPNC Resources for Reopening NC Businesses](#)<sup>3</sup> - A collection of resources and best practices for North Carolina businesses who are preparing to reopen. The Economic Development Partnership of North Carolina (EDPNC) is focused on recruiting new businesses to the state, supporting the needs of existing businesses, connecting exporters to global customers, helping small business owners get their start, and attracting tourists and visitors from all over the world. As a nonprofit public-private partnership, the EDPNC operates under contract with the North Carolina Department of Commerce, while receiving additional financial support from the private sector. Counselors are available to offer information and services in Spanish.
