How to plan your trip

To successfully use GTA's extensive network of transportation services, you merely need to know:

- Where you are and where you are going.
 - What time you need to be there.
1. First, find the route that serves your present location and your destination.
 2. Next, look for your destination on the schedule and read down the list of arrival times until you find your preferred time.
 3. Finally, trace the times backwards to your current location. This is the time you need to be at the bus stop to board your bus.
 4. If your trip involves the use of more than one route, apply the same method starting with the ending bus route and work backwards.

Please note that the stops represented on the schedule are "timepoints" used to pace the bus progress along the route. There are additional stops in between the timepoints, averaging every other block. You may need to estimate your departure and arrival times in between timepoints.

How to read the maps and schedules

The bus stops here at the times listed below the symbol in the schedule. The numbers on the map represent scheduled timepoints; other stops are served between the timepoints.

The bus travels here sometimes. See schedule for trips that travel this route variation.

The connection point shows where routes intersect and transfers to other routes may be available.

The timetable shows the time that the bus is scheduled to depart or arrive. Light times are A.M.; **bold times are P.M.** Times are approximate and depend on traffic and weather conditions. Arrive at the bus stop 4-5 minutes early.

Welcome Aboard Our HEAT Bus!

Passengers may board or exit a HEAT bus at any clearly marked HEAT stop or shelter and at the J. Douglas Galyon Depot located at 236-C East Washington Street in downtown Greensboro.

To signal the bus to stop at a GTA or HEAT bus stop or shelter, please pull down on the cord located directly over the window. Please signal for the vehicle to stop as you approach your desired shelter or stop.

If you are uncertain about your stop location, please ask your operator and they will happily assist you.

Rider Rules & Etiquette

- Profanity and offensive language is not allowed at any time. Please treat fellow passengers with respect.
- GTA policy requires appropriate dress while on the bus and GTA property that forbids sagging pants and revealing tops. Violators will be asked to adjust their clothing or leave the property.
- Trained guide and other service animals assisting persons with disabilities are gladly welcomed on our buses and may sit with their owner anywhere including seats. All other animals are prohibited.
- Passengers may board with up to four carry-on items per passenger.
- Please refrain from eating and drinking while on board vehicles. Food and drink in closed containers are permitted but should not be opened on the vehicle.
- Smoking is not allowed at any time on board vehicles including traditional and electronic cigarettes and cigars. Smoking is allowed at the Depot in designated areas.
- Standing or sitting in the stairwells is not permitted at any time. Standing passengers must remain behind the standee line whenever the bus is in operation.
- Passengers must use headphones when listening to portable electronic devices. Please keep the volume at a reasonable level to avoid disturbing others. Also, be mindful of your volume when talking with fellow passengers or on the phone.
- Please save the seats towards the front of the bus for the elderly and persons with disabilities. There is a designated area for wheelchairs on each bus. Also during crowded trips, offer your seat to others who may have a more urgent need to sit down.
- Have your fares and passes available when boarding the bus. Waiting for passengers to search for fares can result in delays for you and other riders.
- For everyone's safety and comfort, please take a seat on the bus if available.
