

GREENSBORO DEPARTMENT OF TRANSPORTATION PETITION FOR REMOVAL OF RESIDENTIAL STREETLIGHTS

Existing streetlights can be removed by completing the petition below. **All** property owners who reside along the block or street where the existing light(s) is/are located must sign the petition in agreement of having the light(s) removed. The property owner must understand the existing utility pole(s) will not be removed.

Typically, if a valid petition is obtained to remove existing streetlights no lights can be added to the same area within 2 years. After the 2 years **all** residents will be required to sign a petition for new streetlights.

PLEASE NOTE: Following installation, should residents decide that removal or modification of streetlighting is desired ALL costs associated with the removal / modification of streetlight(s) shall be the sole responsibility of the petitioning residents.
